RENEWED PETITION UNDER 37 C.F.R. § 1.137(a)

Sir:

Applicants submit this Renewed Petition under 37 C.F.R. § 1.137(a) or, alternatively, under 37 C.F.R. § 1.137(b), for revival of the above-identified application for patent.

Applicants' previous Petition was dismissed.

Applicants' application went abandoned on April 30, 2005 for failure to timely pay the issue and publication fees. However, Applicants mailed the issue and publication fees in a timely manner and to the proper address, on April 25, 2005. The United States Postal Service did not deliver Applicants' mailing, apparently inadvertently mutilating and returning it instead.

Upon learning of the abandonment, Applicants submitted a Petition to Revive on August 29, 2005, but the Petition was dismissed on the grounds that the USPTO could not determine whether the issue and publication fees bore the correct zip code. However, Applicants' mailing did indeed bear the correct zip code, and was mailed to the correct USPTO address.

In support of this Renewed Petition, Applicants hereby submit as Appendix A an improved copy of the issue fee and transmittal form as mailed on April 25, 2005, showing that their envelope bore the correct USPTO address and zip code. Both the issue fee and transmittal form were included in Applicants' previous Petition, but are included again in this Renewed Petition as requested by the USPTO. Applicants also attach the Declaration of Ronald L. Yin attesting to these facts.

As the envelope was addressed to the correct USPTO address, Applicants respectfully submit that the entire delay in submitting the issue and publication fees was unavoidable pursuant to 37 C.F.R. § 1.137(a).

CONCLUSION

In view of the above, it is respectfully submitted that this Petition be granted, and the application be revived.

The Examiner is invited to call Applicants' attorney at the number below in order to speed the prosecution of this application.

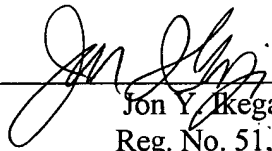

As Applicant submits that its delay was unavoidable, and the appropriate fee under 37 C.F.R. 1.17(l) was already enclosed with Applicants' previous Petition, Applicants believe no additional fee is required. However, if any other fees are deemed necessary in connection with the filing of this petition, authorization is hereby given to charge the amount of any such fees to **Deposit Account No. 07-1896** and reference **Attorney Docket No. 351913-992990**.

Respectfully submitted,

STATEMENT IN SUPPORT OF RENEWED PETITION UNDER 37 C.F.R. § 1.137(a)

I, Ronald L. Yin, declare:

1. I am an attorney registered to practice before the United States Patent and Trademark Office (USPTO), and my registration number is 27,604. I have personal knowledge of the facts stated herein and, if called as a witness, could and would competently testify thereto.
2. On April 25, 2005, I signed and instructed to be sent to the USPTO a Transmittal Form and Fee Transmittal for the above referenced matter. I also instructed to be sent to the USPTO a check for the amount of the issue fee.
3. On or about July 19, 2005, I received the forms back, stamped "NOT DELIVERABLE AS ADDRESSED" and in mutilated condition.
4. Upon learning that the above referenced application was abandoned, I instructed a

Petition to Revive to be prepared and submitted to the USPTO, including a true copy of these forms, the accompanying check, and the mailing envelope they were sent in. Although the included copy of the mailing envelope may be difficult to read, it is a true copy of the mailing envelope.

5. On or about November 18, 2005, I learned that this Petition to Revive was dismissed, apparently on the ground that the included copy of the mailing envelope was illegible.

6. Appendix A contains another true copy of this mailing envelope, lightened to more clearly show the mailing address. Although this copy is lightened, it is a true copy of the mailing envelope.

7. The address shown in Appendix A clearly indicates that the mailing envelope was sent to zip code 22313-1450, which is the correct zip code of the Commissioner for Patents.

I declare under penalty of perjury under the laws of the United States of America that the foregoing is true and correct.

Respectfully submitted,
